

# JUST A MINUTE

A Fishers of Men Ministries Newsletter

## Prayer and Praise Timeline

What a day this was! We brought home a new-to-us 15 passenger van and two new children! Harumi, 7, and Christopher, 5, blessed our lives for 6 short weeks, when their grandparents, after a year of searching for their grandchildren, were joyfully reunited! They will form part of our family in our hearts forever! We also thank the Lord, and many of you, for generously providing for a vehicle that will enable us to keep this ministry moving!

Family vacation! As we save, plan, pack and coordinate, I always wonder if all the effort is worthwhile! Within 5 minutes of watching the joy in my children's hearts and faces, feeling the rest and renovation that comes from time away, and the fun and bonding that comes with being together, I wonder how I could ever question vacation being worthwhile!

The dental team praying together

After a great vacation, we were ready to serve the Lord together! Once a year, my kids and I serve on crusade as a family! We had a beautiful week with the Fishers of Men crusade team serving in Michoacan where we were able to provide 1101 free services, of which 225 individuals prayed to receive Jesus as their Lord and Savior.

A wonderful celebration was had by all as Angie graduated from Dock Mennonite Academy in Pennsylvania. What a joy to see all that the Lord has done in my children's lives....and what expectation to see what He will continue to do!

What a grateful time celebrating Martita's graduation from seminary with a diploma in theology. She and her husband, Leonel, will continue to serve a small church in the mountains of Guerrero.

**June 30**

This full week-long Evangelistic Medical Mission Crusade covered towns in both the states of Colima and Michoacan, where patients came from 21 surrounding local villages! We praise the Lord for the 945 services given and the 149 individuals who prayed to accept Jesus as their Lord and Savior!
