Evangelistic Medical Mission Crusades (EMMC's)

The month of October provided the volunteer team of the Evangelistic Medical Mission Crusades two opportunities to serve the Lord and

spread the Good News of Jesus Christ!

The team first spent four days in the town of Texcala, Morelos, one of the areas affected by the September 19th massive earthquake that hit Central Mexico. Our doctors, dentists, nurses, optometrists, pharmacy team, hair stylists, children's ministry workers and evangelists were able to provide 480 services during that time and 60 individuals prayed to receive Jesus as their Lord and Savior! One of the highlights of this crusade was the distribution of 84

Christmas Child Shoeboxes from Samaritan's Purse.

Then, towards the end of the month, our volunteer team held a one day local crusade in a neighborhood in Mexico City. This was an exciting day, as we had several new volunteers join us for the day, as well as collaborating with a very committed and hard-working local congregation. In just six hours of work, the team attended to 160 different needs and 62 individuals prayed to enter into a personal relationship with Christ!

IN MEMORY OF DANNY

October 20 would have been our precious Danny's 10th birthday. So, to celebrate his life, our family took free sandwiches, drinks and the Gospel to the hospital where his heart surgery and last days on earth took place four years ago.

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ."
2 Corinthians 1:3-5

Looking Ahead

- ◆ First floor walls are going up on the new main house!
- ◆ "How beautiful on the mountains are the feet of those who bring good news..." (Isaiah 52:7) EMMC paraphrase: "How beautiful on the mountains are the WHEELS of those who bring good news..." and we are in need of a new set of wheels! Stay tuned for more information!
